Ledbury MCC would like to thank all the riders that took part in today's meeting, for another display of exciting and entertaining racing. Long live Grasstrack. We wish all those that took some falls a speedy recovery and hope that we see you all out on track again soon. Massive thanks to all the volunteers that helped today, so many to mention individually but we are extremely grateful to you all for your help and support to the club and more importantly the riders, who would not get to race if you did not give up your time to do all that you do, so appreciation for you all.

Special thanks to all the supporters/spectators who came to watch today's meeting and supporting the riders and Ledbury MCC we hope you all enjoyed your time with us, have had a safe journey home, and that you will return to do it all again on the 19th August for the Ledbury Flyer meeting.
